Proof of Ford V-8 Economy

MOVE up to high-priced car performance—without the extra cost! The thrill of driving a Ford V-8 can be matched only in cars costing hundreds of dollars more. The Ford V-8 is responsive. It picks up more easily. At all speeds you get the smooth, effortless flow of power which means true high-line car performance.

—And in a Ford V-8 you get this performance at less cost.

In bringing the V-8 to the low price field, Ford designed an engine, which with the dual downdraft carburetor, simply takes the gas used by a "4" of similar size and splits it into eight equal charges. In fact, the Ford V-8 with its sparkling performance and 8 cylinder smoothness *is the most economical car Ford ever built.* Definite cost records of large passenger car fleet owners show actual savings in the operation of the Ford V-8 over previous Ford models.

Test this great car yourself. Get behind the wheel and drive it. Feel the thrill of *modern* V-8 performance. Then, remember, that it's overall economy is greater than those ... last days. *Your Ford Dealer*

CORRECTION

On Page ten of today's paper, there appears a typographical error in the advertisement of COLEMANS in Lynchburg. The heading should read "History repeats itself.... in style ....Quality is a lasting tradition." In the 3rd and 4th word "lasting" is made to read "lashing". We regret the error. —The Editor.

Rocks

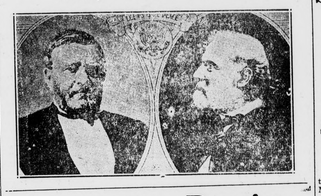
Va. Pub. Ser. Announces Rate Cuts

A system-wide reduction in Residential and commercial electric rates of the Virginia Public Service Company was announced today by F. Mayos, Division Manager of the company.

"Savings to residential and commercial customers served by the company throughout its territory in Virginia and West Va. will be over $300,000 per year. Of the 78000 residential and commercial customers served, approximately 58000 residential and 10000 commercial customers will be benefitted by the reduced rates," Mr. Mayes stated.

According to the announcement, the new lower rates will become effective May 1, and were the result of studies which the company is constantly making in its efforts to provide electric service at the lowest possible cost consistent with good business practice. Some of the factors which enabled the company to make the reduction were the increased use of electric service by its customers, the growth of the territory served and the generally improved economic conditions throughout the system which point to more stable business conditions than have prevailed in the past.

Today Peace Anniversary



Appomattox Baptist Association Meets

The Appomattox Association, including the Sunday School and B. T. U. conventions, will be held with the Bethel Baptist church, near Phenix next Thursday and Friday.

The first service, beginning at 9:30 A. M. on Thursday will consist of the annual reports on all phases of the Cooperative Program, after which the annual sermon will be preached by the Rev. A. G. Walker, of Gladys. The afternoon and night sessions will be devoted to a discussion of Sunday School problems and methods.

The Friday morning session will feature addresses by Doctors W. J. Cammack, George T. Waite; C. V. Cooke; R. P Welsh and W. M. Black, while the afternoon session will be devoted to the work of the B. T. U. At four o'clock Friday, the young people will enjoy a picnic under the direction of Versil Crenshaw.

Named To Town Council

At its regular monthly meeting Monday night of this week, the town council of Appomattox named L. J. Morris as a member of the council to fill out the term of the late R. S. Wheeler, who died recently.

The council also decided to put a limit of one hour on parking of automobiles on Main St. between the drug store corner and the corner opposite the Times Virginian building.

Miss Williams Is Honored

The classroom exhibit on "The Negro" of Miss Flora Williams at the local high school has attracted the favorable attention of Virginia educational authorities.

Miss Williams has accepted an invitation to address a state educational gathering in Norfolk at the Freemason Street Baptist church, and will take the exhibit with her. She will have here to attend this meeting next Wednesday.

Plant Exchange

The local Garden Club will hold a "plant exchange" on Wednesday of next week.

Mrs. Eddie Moore and children, of West Virginia are guests of Mrs. Mollie Moore here.

Mr. and Mrs. S. J. Evans spent Monday in Roanoke.

Meredith Evans, Jack Scott and Herbert Abbitt of Wake Forest College are expected home for Easter.

Mrs. C. A. Holenburg, of Lynchburg is visiting here.

On the night of March 22, Tom Phillips, member of this camp, was walking along the streets of Rustburg, Virginia, a town some 3 miles from our camp, the 2385th C.C.C. Co. Out of nowhere came an automobile at a rather high rate of speed, with its lights shining in his face it came to a sudden stop. He was called to the car, when he got close enough to see the occupants he was staring at three armed negroes. He was ordered into the car and told to keep quiet. After driving for sometime he was ordered out of the car, and told to strip off his clothes, and this he did at gun point; he was then told to get going, and not to look back. Phillips, by their actions realized that they were desperate, so he obeyed orders as he received them. He was then shot at 7 times but no shots reached their mark. On the following day the negroes were caught some forty or fifty miles from the place of the holdup. The men were still terrifying the country as they went through it.
